NOTICE TO THE MARKET

Fleury S.A. integrates the Dow Jones Sustainability Index for the second consecutive time

Fleury SA ("Fleury" or "Company") hereby informs its Shareholders and the market in general that once again it was selected to integrate, for the second consecutive year, the Dow Jones Sustainability Index ("DJSI") of the New York Stock Exchange, in the DJSI Emerging Markets 2021/2022 portfolio. The new portfolio consists of 108 companies, of which 10 are Brazilian, Grupo Fleury is the only company in the Healthcare sector in the Americas to be part of the index.

The DJSI is the main global sustainability index, composed of companies that stand out worldwide for the adoption of best social, economic and environmental practices (Environmental, Social and Governance - ESG), and it is a reference for investors who evaluate these dimensions in their portfolios.

The participation on Dow Jones Sustainability Index – Emerging Markets reflects the Company's strong commitment of permanent attention to ESG principles in the business strategy, reinforcing the relationships of trust with clients, employees, physicians, shareholders and the community.
