Material Fact

Projection Discontinuation

Fleury SA ("Grupo Fleury" or "Company"), in compliance with CVM Resolution 44/21, of August 24, 2021, and CVM Instruction No. 480/09 of December 7, 2009, informs its shareholders and market in general that, on this date, decided to discontinue and consider concluded the estimate of opening new Patient Service Centers for the period between 2017 and 2021 ("PSCs"), through the Company's organic expansion plan, according to the material fact disclosed on December 8, 2016, and which provided for the inauguration of 73 to 90 PSCs in that period, according to information contained in item 11 of the Company's Reference Form.

So far, 55 PSCs of the expansion plan of the brands that were part of Grupo Fleury have been inaugurated on the date of release of the estimate, equivalent to 75% of the lower point of the projection.

In addition to the 55 PSCs opened in the organic expansion plan, the Company made eight acquisitions of diagnostics brands, adding 112 new units to its brand portfolio, being 44 units in regions where it already had operations and 68 units in new regions. At the same time, the Company accelerated the expansion of its Client's Home Service, which currently represents 7.3% of the Company's total revenue and equivalent to the average revenue of 25 physical units.

This combination strengthened and expanded the offer of diagnostics and marked the Company's entry into the states of Rio Grande do Norte, Maranhão and Espírito Santo, through traditional brands with an important medical reputation.

The Company reinforces its commitment to the sustainable growth of its operations and remains focused on the omnichannel strategy, evaluating opportunities for organic expansion.

The Company reiterates that future considerations, including previously disclosed projections, are not guarantees of performance, involve risks, uncertainties, assumptions and they depend on circumstances that may or may not occur, and should not be considered by investors in order to support their investment decision.
